Subject: Re: ECHS referral rejected for Colonoscopy test by Medica Superspeciality Hospital, Mukundapur, Kolkata (Now it's Manipal Hospital, MH015463242)

Dear Sir,

As per our management decision, we are stopping colonoscopy service in OPD.
There are lots of challenges facing during colonoscopy procedures like heavy uses of consumables like approximately Rs. 2,500/- to Rs. 3,000/- but colonoscopy procedure cost as per CGHS Rs. 992/-.
Above consumable not claimable to ECHS or not chargeable to patient.
Therefore, our management stop this kind of procedure when consumable cost higher than the procedure charge.

With regards,
